Race Comment

Speed should be good here. Discharged had to work hard 1st up over an unsuitable distance- steps up here and should push strongly to the lead and be hard to get around. Elevelin Elevelin went ok fresh when speed suited but the 1400 is some question mark. Yao Dash was a very good horse in early days and just went missing until the last week - found form and speed suits. Edison will show speed with gear on. Sambro is the blowout horse.
