Betfair 2024 Tipping Competition - Terms and Conditions

CAN I TAKE PART?

Betfair Pty Limited's (**Betfair**) Betfair 2024 Tipping Competition (**the Competition**) is governed by the following Terms and Conditions.
The following customers are not eligible to participate in the Competition and will not receive any prize:

- South Australian customers; and
- customers that were not contacted directly by Betfair with the exclusive Competition invitation email, call or SMS.

By participating in the Competition, you will be deemed to have accepted these Terms and Conditions.

HOW DO I QUALIFY?

To be eligible for this Competition, you must be a Betfair+ Customer as defined in the Betfair+ Program Terms & Conditions. By opting in and participating in the Competition, you agree to these Terms and Conditions. Customers that achieve Betfair+ status in future Cycles, before the conclusion of the Competition, will also become eligible from the Cycle commencement date.

WHAT DO I NEED TO DO?

Each week you will need to submit your tips via ESNP during each home and away Round (**AFL** Rounds 1 to 24) (**NRL** Rounds 1 to 27), with a link to ESPN Footy Tips (https://www.footytips.com.au/comps/betfair2024tippingcomp) (**the Host Website**). Log in to the Host Website using the link provided in the email/SMS you receive and the Competition password (betfair2024).

Simply make the selections on who you think will win each game in that Round and click "save tips". A confirmation of your tips will appear on the screen after you have successfully clicked "save tips".

One designated match each Round will require a winning points margin to be selected for that match. The points margin will act as a tiebreaker for the purposes of both the weekly and major Competition. An entrant's score will be the difference between their submitted margin and the actual final margin (i.e. if the team tipped loses, the score is the final margin plus their submitted margin).

Each successful (winning) selection will be awarded 1 point, while each unsuccessful (losing) selection will be awarded no (0) points. If the result is a draw, you will be awarded no (0) points.

At the end of each Round, entrants will be ranked in descending order based on the combined number of points they have achieved in that Round and all preceding Rounds. Where entrants have the same number of points, the points margin, or cumulative points margin will be used as a tiebreaker.

The eligible customers with the highest number of points at the end of each Round and the final Round (**AFL** Round 24) (**NRL** Round 27) will win the associated prizes (see below).

IS THERE ANYTHING ELSE I NEED TO KNOW?

Default Score

If you do not submit tips prior to the advertised start time of the first game of that Round, you will be awarded the lowest comp round score of the competition entrants that did submit their tips for that round.

Wagering Requirement
To be eligible for individual Round prizes, you must wager a total amount of AUD $100 on AFL markets to be eligible for AFL tipping competition prizes and you must wager a total of AUD $100 on NRL markets to be eligible for NRL tipping competition prizes (total back bet stakes or lay bet liabilities) on that Round during the Competition.
If you do not meet the wagering requirement, your tips will count towards the overall Leader board, but you will be ineligible for individual Round prizes.

***For example**, a customer places the following bets in the first Round (Round 1) of the Competition:*
Round 1 - $100 lay bet liability on Western Bulldogs
Round 1 - $50 back bet stake on Richmond
As this customer has placed a combined total of $150 across the first Round, they are deemed eligible for prizes across that Round of Competition.

Tie Breaker
In the case where two or more eligible customers achieve the same amount of points at the end of either an individual Round or after all Rounds (**AFL** Round 24) (**NRL** Round 27) have been completed, the final placings will be determined by ranking those tied customers from the adjusted points margin on each nominated game each week where a winning margin must be entered.

***For example**, the nominated match for AFL Round 1 to submit a winning margin is Richmond vs Carlton. The final score is Richmond 100 vs Western Carlton 90. The winning margin is 10.*

Player 1 has selected Richmond to win by 16
Player 2 has selected Carlton to win by 3

The adjusted winning margin will be calculated as follows:

Player 1: 16 - 10 = 6 (winning selection)
Player 2: 3 + 10 = 13 (losing selection)

Player 1 would win this tiebreaker, and the adjusted points margin will be carried over for the purposes of the major Competition.

In the case where the eligible entrants cannot be split by their nominated margin at the end of either an individual Round or after all Rounds (**AFL** Round 24) (**NRL** Round 27) have been completed the prize will be split evenly between each applicable entrant.

Additional Terms and Conditions
Betfair reserves the right, in its absolute discretion, to disqualify any entrants that Betfair deems to be abusing the Competition by any means. In addition, if an entrant's Betfair account is self-excluded or closed for any reason, he/she will automatically be disqualified from the Competition (and will not be eligible for any prizes).
Betfair reserves the right, in its absolute discretion, to make equivalent substitutions should a prize become unavailable for any reason.

Should the Host Website malfunction or become unavailable at any point throughout the Competition, Betfair may, in its absolute discretion, terminate the Competition and refrain from distributing Competition prizes.

If the 2024 NRL or AFL season is suspended or cancelled at any point in time, Betfair may, in its absolute discretion, terminate the Competition and refrain from distributing Competition prizes.

COMPETITION PRIZES
For each Round (AFL Round 1 to 24) (NRL Round 1 to 27), the eligible entrant with the highest cumulative score and lowest points differential to the correct margin, will receive a $250AUD Betfair

account credit.

The entrants on top of the overall standings at the end of the home & away season who have placed 1st, 2nd & 3rd (conclusion of Round 24 for AFL, conclusion of Round 27 for NRL) will receive:
1st: $3,000AUD Betfair account credit
2nd: $2,000AUD Betfair account credit
